

Thank you for your interest in the Heart Campaign for New Beginnings - A Home for Mothers. As some of you might know, because of increasing inflation, construction costs keep rising. Meanwhile, fundraising is proceeding well but not as quickly as we would like. We, therefore, have come up with a plan.

As we are committed to reaching more mothers sooner than later, our board of directors approved phasing the project. The new goal is to raise approximately \$3.2 million in addition to what we have raised so far. When we reach that intermediate goal we plan to break ground in late spring 2024.

In short, we are making progress and adjusting to rapidly changing circumstances. Please do what you can to spread the word. We would be very happy to visit and talk about the Heart Campaign to all who are interested. Together, by the grace of God and according to his timing, we will get this project done.

Thank you and may God bless you as he blesses others through you.
